To the Executive and Members of the
Blue Sea Lake Watershed Association.

At your request, from an accounting perspective, I proceeded with a review of the balance sheet of the Blue Sea Lake Watershed Association as at December 31st, 2021, as well as the Income Statement and the Member's Equity Statement for the year ending on that date.

This mandate consisted primarily of a review and analysis of the books and records, as well as all other documents and information provided by the responsible officer.

This review is not to be considered as an audit and as such, I am not expressing an audit opinion on these statements.

I believe that the financial data, as wells as the notes attached to these statements, represent fairly the accounting operations of the Association for the year ending December 31, 2021.

Morris Richardson.
